Instead of word Pay .... , It Should be (Place Order) in Case of CoD.

Here the functionality remains the same.

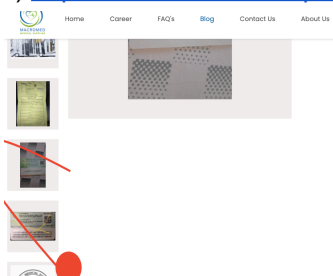

14) In same above Screen , Request for Card details / Card section should open only if “ Pay online” option is selected.

15) In the same above Screen , In addition to CoD, there should be **a link (Get Quote)**, and in this case All details will be Emailed (Items selected, quantities, Address etc) to request a quote in case of big quantities.

16) Height of Featured items has again increased. Previously, It was adjust. Pls Fix it Permanently. Reduce 33% height. Even if you have to remove some writing.

17) Reduce Timing of Notification appearing on Top Right corner. It Should be fast. Less than half of the current time.

18) <https://macromed.com.pk/details/57> if More pictures are added for any Product, the detail page appears like this.

Check Product [OB GYN Surgical Biopsy Medical Instrument Set of 18 Pieces](#)
